◆ Non-Profit Overview

MISSION

The California Community Foundation (CCF) leads positive systemic change to strengthen Los Angeles communities.

2015 GOALS

As we continue to celebrate our 100th year of service, CCF will expand our focus on strengthening Los Angeles County through responsive leadership, effective philanthropy and civic engagement. This year, we launched our campaign to help transform the future of our region by granting \$1 billion to Los Angeles County nonprofit organizations by 2025.

YEAR ESTABLISHED/HISTORY

CCF was founded in 1915 by L.A. banker and civic leader Joseph F. Sartori as a way for donors to pursue their own passions and to collaborate with nonprofit organizations in transforming Los Angeles County. Since then, CCF has grown to manage nearly 1,600 charitable foundations, funds and legacies and steward \$1.5 billion in assets.

SERVICE AREA

Our community is Los Angeles County. With a deep understanding of this region's complex challenges and extraordinary potential, we are dedicated to fulfilling the promise of a greater Los Angeles for all residents, now and in the future.

COMMUNITY ACHIEVEMENTS

CCF accomplishes its mission in partnership with donors, nonprofit organizations and government leaders who want to make Los Angeles a better place to live, work and play. Our many initiatives focus on strengthening Los Angeles, including: Building a Lifetime of Options and Opportunities for Men (BLOOM) works to improve educational and career outcomes for Black male youth in South L.A.; our partnership with Grameen America in Los Angeles provides microloans to low-income women entrepreneurs to invest in their businesses, access financial education and gain peer support; and the Los Angeles Scholars Investment Fund, one of the state's largest scholarship funds, helps students get to and through college.

GIVING OPPORTUNITIES

Our Centennial Legacy Campaign is intended to inspire enduring gifts that continue to create meaningful change for generations to come. It is a worthwhile opportunity to be a part of the solution to our biggest challenges. Our development specialists work directly with donors to help them identify their passions, define their vision and customize their giving plans. Whether a donor's passion is animals or children, arts or education, poverty or the environment, our goal is to ensure their legacy lasts.

Help us prevent child abuse.

Investing in a successful future for children begins with family. Children's Bureau helps to strengthen thousands of families each year by giving them the tools and resources they need in key areas of school readiness, nurturing parenting, financial stability and good health. Child abuse can be prevented and future generations spared with your support.
