

Collaborating to Scale Impact

All For Kids joins forces each April with LA County's Child Abuse Prevention Councils to raise awareness that prevention is a community-wide responsibility.

This year LA City Councilmembers Eunisses Hernandez and Heather Hutt helped amplify our message with an official proclamation delivered at City Hall.

We thank our inspiring partners for activating this critical catalyst for education and look forward to building ever more momentum around this vital work.

Annual Policy Agenda Released

All For Kids provides trusted input to key policymakers, championing a slate of bills and budget requests each year to prevent abuse and nurture child well-being.

Details and background information can be found at allforkids.org/2026-policy-agenda, with tips for effective advocacy and other resources available at allforkids.org/advocacy.
